

## REVIEWS FOR GIBRALTAR SUN

★★★★☆ **Exciting, enjoyable and plausible**

Good sci-fi can still have a grounding in reality and Michael McCollum can spin a tale with the best of them.

★★★★★ **Great Series!**

I enjoy the Space Sci-Fi books where the hero and/or technology keeps improving throughout the course of each book. [Read more](#) ▶

★★★★★ **A million to one odds, can humanity live as a free people?**

Recently I read Gibraltar Sun by Michael McCollum. Gibraltar Sun is the second in a trilogy. Most stories have the hero struggling against overwhelming odds. [Read more](#) ▶
